For: ISOLATED HUMAN SECRETED PROTEINS,
NUCLEIC ACID MOLECULES ENCODING HUMAN
SECRETED PROTEINS, AND USES THEREOF

Art Unit: 1646

Examiner: M. Pak

Atty. Docket: CL000841

PRELIMINARY AMENDMENTHonorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231*By Facsimile*

Sir:

This is in response to an Office Action from Examiner Pak mailed on October 2, 2002 in which a restriction requirement was issued for the above referenced application. A Petition for a One-Month Extension of Time is submitted herewith. Please charge the Extension of Time fee to Deposit Account No. 50-0970.

By way of response, Applicants hereby elect claim group III, claims 4-5, 8-11, and 22-23, directed to nucleic acid molecules, vectors, host cells, etc., for examination and have canceled claims corresponding to the non-elected groups I-II and IV-XI.

Please amend the application as follows:

In the Claims:

Please cancel claims 1-3, 5-7, and 10-23 as being directed to non-elected subject matter or being made redundant by way of the amendments below.
